Back row- standing. Burgess, Keech, Gallimore, Freddie Veale
McIntyre, Jack Cooke, can't think of next
bloke's name; he was THERE when 119 "march-
ed" in, Bob Stevens

Front row, squatting;
Perram, Jack (paymaster) Gordon Stone, myself,
Clive Tregear - NOW MAYOR of Campbelltown!

Sorry! but can't place "The bloke on the bike" - outside the "Orderly Room; nor could "Snowy" Gilchrist, who called into 89 to see me a couple of days ago; he was very sorry he missed seeing you at last re-union.

Re-read your letter NUMBER 2 - "One chap at the reunion re-introduced himself to me as "the bloke on the bike", in which case, I can only assume it was "Stoney" the postman; I don't think I ever heard his christian name, he was, or is, NO relation of GORDON Stone
