This is to certify that  
I have known Annie  
Leavesley three years  
and that during that  
time I have had  
perfect confidence  
in the care *[del: of my]*

*[page ii]*

she would take of  
my patients at the  
hospital – I have  
never known her to  
neglect any of them  
in the slightest degree  
in fact she has  
frequently risked her  
health in her care  
of them.

In giving this  
testimonial I am only  
afraid that I shall  
not speak highly  
enough of her late  
services – as I consider  
her by far the best  
nurse I have ever  
had to work under

me – and I am most  
sorry she is leaving
